程式專案加入元件參考

The image shows the Visual Studio interface with the 'References' dialog box open. The dialog box is titled '參考管理員 - TickSample' and has a search bar at the top right containing '搜尋COM (Ctrl+E)'. The left pane shows a tree view with 'COM' selected. The main pane lists various COM components, with 'Accessibility' selected. The right pane shows the details for 'Accessibility', including its name, creator (Microsoft Corporation), version (1.1), and schema version (7.2.10240.16384). At the bottom of the dialog, the '瀏覽(B)...' button is highlighted with a red box and a blue circle with the number '2'. To the right, the Solution Explorer shows the project 'TickSample' with the '參考' folder highlighted with a red box and a blue circle with the number '1'. The Solution Explorer also shows the project's properties, including 'System', 'System.Data', 'System.Deployment', 'System.Drawing', 'System.Windows.Forms', and 'System.Xml'. The Solution Explorer also shows the project's files, including 'MainForm.cs' and 'Program.cs'.
